

# Nonclinical Development Plan Proposal

**For:**

**By:** Toxistrategy LLC

**Date:**

## Scope

Toxistrategy will provide a comprehensive nonclinical development plan, including:

1. PK and toxicology studies required to support IND submission
2. Nonclinical studies to support late-stage clinical development
3. Preliminary timelines and budget estimates
4. A compiled package incorporating all of the above
5. One 60-minute meeting to discuss the package and answer questions

## Timeline

Toxistrategy will provide deliverables within 5 business days of the execution of this proposal.

## Budget

The estimated one-time cost for completion of the deliverable is outlined below:

Deliverable	Cost
Comprehensive Nonclinical Development Plan	\$2,000

Deliverables not included above that incur additional cost will be added by amendment to this proposal. Project will be invoiced upon execution of this proposal.
